

ACTSEA 2017

OCT. 31 – NOV. 3, 2017
GARDEN VILLA | KAOHSIUNG, TAIWAN

The 6th International Symposium on Advanced Ceramics and Technology for Sustainable Energy Applications toward a Low Carbon Society

First Announcement & Call for Papers
Submit Your Abstracts by June 15, 2017

<http://actsea2017.web2.ncku.edu.tw>

Scope & Venue

Due to the success of the last 5 ACTSEA International Symposium, we cordially invite you to attend the 6th ACTSEA. The purpose of the symposium is to bring together academics, researchers, and students, who have been actively engaged in the research and development of advanced ceramics and technologies for sustainable energy, to discuss the up-to-date progresses in all aspects of energy science & technology, and applications. The ACTSEA-2017 will be held at the beautiful harbor city in southern Formosa, Kaohsiung.

Main Theme & Proposed Topics

Abstracts are accepted on all aspects of ceramic materials/processing for energy efficient and low-carbon economy, including:

- Thermoelectrics
- Fuel cells
- LED
- Nuclear
- Photovoltaic / Solar Power
- Battery and Energy storage
- Alternative energies
- Energy efficiency technologies and applications
- Materials with higher performance under extreme conditions (temperatures, speeds...etc.)
- Materials and Technologies for a low carbon, sustainable society

English is required for abstract, papers, posters and oral presentation.

Important Dates

- | | |
|---------------------------------|----------------------------------|
| • June 15, 2017 | Abstract Submission Deadline |
| • July 15, 2017 | Notification of Acceptance |
| • September 15, 2017 | Early-Bird Registration Deadline |
| • October 15, 2017 | Final Program |
| • October 31 - November 3, 2017 | Conference Dates |
